

Project Planning Phase

Project Planning Template (Milestone Activity)

Date	06 November 2022
Team ID	PNT2022TMID46648
Project Name	Project- Real Time Communication System Powered By AI For Specially Abled

Define CS, fit into CC	1. CUSTOMER SEGMENT(S) <i>Who is our customer?</i> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> User is a common person who tries to understand sign language. </div>	6. CUSTOMER <i>What is our customer's pain points? How are they writing or thinking about a solution? Is something going to get in the way, and if so, what is it? What is the desired result for the user?</i> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> The user is able to grasp sign language, which takes time to achieve. </div>	8. AVAILABLE SOLUTIONS <i>Which solutions are available to the customer? What do they have to overcome?</i> <i>or want to get the job done? what have they tried to</i> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> An ordinary individual can predict sign language with moderate effort. An average person can eventually understand sign language. </div>	Explore AS, differentiate
	2. JOBS-TO-BE-DONE / PROBLEMS <i>Which jobs-to-be-done are customers do and address for</i> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> A disabled person's expressions and what they say are hardly ever recognised by non-disabled people. </div>	9. PROBLEM ROOT CAUSE <i>where is the root cause of the</i> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> The difficulty comes when someone with special abilities initiates a discussion with a person who is not able to comprehend them because of their expertise. </div>	7. <i>is directly related. find the right color point marker.</i> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> An abled individual can't fully understand what a consumer is saying. Query Before Assisting- Treatment of people with impairments on an equal basis is the first step. Don't assume they require help with daily tasks all the time. </div>
